

# Water Cycle Game

1  
glacier

2  
clouds

3  
animal

4  
ground water

5  
lake

6  
ocean

7  
soil

8  
plants

FRONT  
river

## OUTPUT - What did we learn?

1. What patterns did you see during the game?
2. What patterns did your group see?
3. Write about your trip through the water cycle and WHY you went to the places you went.
